BILL OF SALE

This is to certify that the Fuselage of a baby Ace airplane # 101 Factory built at West Bend Wisconsin has been sold to Ace Aircraft and Mfg. Co. Of 106 Arthur RD. Ashville N.C. T. Baird Owner For the sum of \$500.00 dollars and 0 cents on July 29 1966

Containing the following parts

Fuselage # 101
Empennage group
landing gear group
Struts (Wing)
Tail brace wires
And Fairings

To my knowledge these components were in excellent condition when they were purchased with the exception of a bent longeron left hand side of fuselage Aft. the cockpit and possible damage to shock struts on landing gear. These were not disassembled for examination.

I certify that all parts were in an airworthy condition when purchased.
