Dear Mr. Baird:

Mr. Poberezny has instructed me to send you the enclosed batch of letters received thus far, regarding the Baby Ace article in *Mechanix Illustrated*. There are twenty-nine inquiries.

The three checks included have been endorsed, and have been acknowledged as being forwarded to your attention. In fact, all the letters have been acknowledged and we have sent information on the EAA to all who are not already members. In our letters we have told them that their letter is being sent on to you, and that they will be hearing from you.

We will continue to send you all the inquiries on the Baby Ace received at this office.

Please write or call if we can be of further help.

Sincerely,

M. Reidenbach (Mrs)
Secretary to Mr. Poberezny
